**Subject:** Testimony Filing Dates in Chem-Nuclear Docket No. 2012-357-A

Dear Joseph, David and Jocelyn,

ORS has just finished its review of Chem-Nuclear's filing in the above referenced case. As a result, we have just begun discussions with the Company regarding the possibility of a settlement and/or revised filing by the Company. Both ORS and Counsel for Chem-Nuclear would therefore request that the Commission extend the filing deadline for the Company/Applicant's testimony from Wednesday, March 6, 2013 to Friday, March 15, 2013. Although we are hopeful that that parties can resolve this case, we would also ask that Intervenor testimony be moved to March 25, Company Rebuttal to April 1, and Surrebuttal testimony to April 8.

Please contact me and Counsel for Chem-Nuclear and The Atlantic Compact Commission should you have any questions regarding this request.

Thank you for your consideration.
